

## SECOND REPORT.

As reported; the jail is fire-proof, with force pump and hose for fire protection. No suffering from cold. Jail cleansed with tank of water and hose, as needed. Excreta removed by sewer. No vermin. Occasional religious services. Now confined, 1 colored female, for insanity. From March 1, 1894, to September 1, there were confined, 27 colored, 5 white, 27 male, 5 female. Management good.

*Remarks.*—Care is taken by the proper officers to make the jail as safe, comfortable and cleanly as possible.

J. P. OVERMAN.

FRANK VAUGHAN.

F. H. JOHNSTON.

Received October 19, 1894.

**PENDER.**

Building, etc., reported. No change in treatment and general conditions. Now confined, 0. Statistics not obtained.

## SECOND REPORT.

As reported. No religious services, except voluntary. Now confined, 1 colored male—insanity. No statistics.

*Remarks.*—It is an outrageous nuisance that a demented man should be confined in jail, but there seems to be no remedy.

Received September 20, 1894.

**PERQUIMANS.**

Building as reported. Not fire-proof. No suffering from cold. Diet not allowanced. Cleansed by scouring. Excreta carried away. No vermin. Religious services occasionally. Now confined, 0. No statistics available. Management good.

Received November 24, 1894.

## SECOND REPORT.

As heretofore reported. Now confined, 2 colored males, for carrying concealed weapons. From March 1, 1894, to September 1, 1894, were confined 1 white, 8 colored; 8 males, 1 female; total, 9. Deaths, 0.

Received December 7, 1894.

THOS. W. BABB.

**PERSON.**

Building, etc., reported. Ventilation by pipes from each cell, upward. No vermin. Not generally allowed to have liquors. No religious services. Now confined, 2 white males, capital offenses. From September 1, 1893, to March 1, 1894, 2 white males—1 for horse-stealing, 1 for larceny. They broke prison, and killed the jailer; now confined for the said offense. Management reasonably good. -----

Received March 26, 1894.
